“ *I enjoyed meeting Elvira at each annual CIP buffet for the past few years and was left each time with the lasting mark of someone of great grace. She has been immensely helpful to CIP. I did not know Elvira very well, but will miss her nonetheless.*

“ Dear Carl, Paula & Serena,

It was so upsetting to hear about Aunt Elvira. The Obituary was wonderfully done in her honour. Most of my memories are at the lake house in Plymouth & of course their home on North Main Street where I remember the Grapes on the Arbor. Why that sticks in my mind so much I'll never know but it's there...perhaps because I like to indulge myself every now & then with a glass of the Grape...I will always remember how Classic a Woman I had always thought of her and how she always presented herself so well. I was enthralled with the streak in her hair at my young age and even grew fonder of it as we all aged...she never changed. She was truly one of my favorite Aunts!!! It's so hard to believe that all are now gone with the exception of Aunt Livia & Uncle Ben. Where has the time gone....I just wanted to express my deepest sympathy to all of you and my second, third and who knows maybe even fourth cousins. I hope the memories you hold so dear in your hearts help you through any rough roads ahead...may God keep you all safe & healthy...Peace..Love...Harmony...God Bless, Cousin Rick

“ Dear Serena,
I am so very sorry to hear of your Mother's passing. Your Mom was a wonderful friend to my Mom -- including many visits to my Mom while she was at Willow Brook and later at the Trillium -- and she was also such great comfort to me when my Mom passed last year. One of my Mom's greatest attributes, perhaps, was her ability to pick the most wonderful women as her friends, as illustrated by their friendship over decades. My thoughts are with you and your Family Serena.
