“ *Our heart felt condolences to all the Noviski family.*

Emil was an extraordinary man, we loved him dearly and we will miss him a lot.

We have been lucky to spend quite a bit of time with Emil in the last few years, making the journey with him. Emil was always positive, always happy to visit. He loved his friends from around the world. He loved his food. we can still hear him moan when he ate something he liked.

Rest in peace Emil, you deserve it after a long tough fight.

With all our love
