“ Our deepest sympathy to Nancy, Kurt, Marty and all of your families in the loss of Em. We have wonderful memories of times spent with Em & Bill in Prescott, AZ. They were special folks. We know you will greatly miss Mom & Granny Em. May God's blessings be with you and your families at this difficult time....and may you know how much your friends and family care. Hugs, Crystal & Tim

“ We were so sorry to hear about your mother. She was such a special lady. I was with her for a few years during the Wednesday night Bible study at church. She always added so much to our discussions. If I remember correctly, our son heard her wonderful stories at the library in Dublin when it was a portable building. Our daughter was married over the weekend and we had out of town guests through Monday. We hated that we could not attend the memorial. Please know you are in our thoughts and prayers. Susan

“ I am very sorry to read of your mother's passing in the newspaper. I always enjoyed visiting with her. She had many interesting stories and memories to share. It was very nice of you to sacrifice your summer to make sure she got to spend her last summer in N. Michigan.
