“ We wish to express our deepest sympathy. Emmett was a true friend to both Dot's and my families for many decades. All the fun nights with the poker group and the stock club along with the stock group. We will truly miss Emmett. We wish we could attend the service, however, we are in Florida.

“ To Marlene, Anthony, Elaine, Dan, and all the family of Emmett Ersley: I am so sorry. I just learned of Emmett's passing on reading the paper this morning (September 9). All of the Garraway family extend our sympathies. We have SO MANY memories from the time our families grew up together on Sanbridge Circle. The most enduring memory I will have is the memory of Emmett caring for his year and the flowers, doing projects in his garage, and - more recently - taking the dog for walks. We thank you for these memories, and we pray for Marlene and all the family in the days ahead.
