“ My deepest sympathies are extended to the entire family and the dear friends of our Emogene. What a remarkable woman she was. And now, she finds her peace and reward with her Heavenly Father, and she is rejoined with her Bill. How grateful for her friendship. May God comfort all.

“ Jean, whom I have known for 25+ years, was a mother who loved her two children above all else, followed closely by her grandchildren. Rooted to her upbringing in Ky, she loved "the old ways," but more importantly she loved to reminisce about the people and area where she was raised in KY. We will miss Jean and hold her memories close.
