“ *Our family sends our deepest condolences to the Bowles Family. We lived on your street for thirty years, and Eric and our two sons spent many happy, carefree days as very young boys playing games and just hanging out in our yard and in our home. Back then there was a corner market, and Eric and Ben loved to walk there together to purchase candy! We remember Eric as a sweet kid with a ready smile and endearing giggle. He was always respectful to us. We are so sorry for your loss. We send you prayers and love for peace and comfort. Bill, Natasha, Ben and Nick Jones.*

“ *I like to think of Eric when he was about eight or nine years old, and he would come over and sit on our front porch in the swing with my Mom, and talk. Such a Nice Fellow.*

“ *I think of Eric as a remarkable fellow, most always cheerful, who loved his family, and he knew they loved him deeply.*
