“ *We always liked it when Eric would come into the restaurant. He had his favorite booth and we would talk motorcycles and cats while he perused youtube for cute cat videos he would then show us. He will be missed.*

“ Eric was a great friend of 11 years. He was always there when you needed him. He was generous, caring and always a blast to hang out with. I will miss him greatly, I wish I had the chance to say goodbye and tell him how much joy he brought to mine and my family's life. RIP brother. Be free.

“ I've known Eric for 25 years. Doesn't seem that long though. We never lost touch either. He was such a caring and loving person; always looking out for other people. I have so many special memories - my wedding, my daughter's wedding, concerts together... just talking on the phone. Know that he touched so many lives and made such a positive impact on everyone he met.

“ My condolences to Eric's family. 38+ years ago, I had Eric in class during my first year of teaching. That he turned out to be a productive, caring adult is not a surprise because he was a good student and a great kid. He has left this world a better place.

“ I am so sorry for your loss. I worked a few times with Eric and the adoption center and he was a hard worker and so pleasant to work with. And yes he really liked the cats too. My prayers are with you through this difficult time.
