“ *One of my favorite memories of Eric was at a leadership training session we had at PD. We had to go around the room and tell the group something no one knew about us. Eric said he loved wearing colorful socks! I always noticed after that. You will be missed Eric, a caring and devoted member of our team. Rest in peace.*

“ I am deeply saddened to hear of Eric's passing. He was a very special person and we became instant friends when we first met, and am blessed to have had the opportunity to get to know him. “ I consider my self fortunate to have known Eric for a little over a year. Rarely in my business do I connect on a personal level with a client, This obviously was a testament to what a truly extraordinary person he was. I considered him a friend (not a client) and am blessed to have had the opportunity to get to know him. My thoughts and prayers are now focused on Gweyn and Madison, along with the rest of his family. We may have lost a great person but the heavens have gained someone, although way to early in life, will be looking down on us and making sure we marshal forward. Rest In Peace my friend.
