“ I had the absolute pleasure of working with Erin when she was at Dodd Hall. Every time I would see her, we would share a hug and she would ask about my dogs. I was so tickled to connect with her on Facebook when she transferred at OSU. She was so full of life and laughter. When she entered a room, she simply brought sunshine with her. Erin touched so many lives and made a difference wherever she went. I am grateful to have known Erin, and I am going to miss her.

“ I am a nurse who was lucky enough to work with Erin both at Riverside Methodist Hospital then at Ohio State Medical Center when I transferred there. She was a pure joy to know. I loved when she shared pictures of her little girls, she would light up! I, like anyone who knew her, will miss her deeply. She was so funny, happy and a dream to work with. Please know that you are all in my heart, the world will be a sadder place without her. Erin Caputo

“ I will always treasure Erin for her contagious smile, great sense of humor, and the general sense of joy she walked in at all times. For the short time she worked at Dodd I loved her immediately. I will always remember her saying, "Hey Tones" with a big smile. I will miss you Erin.

“ I absolutely loved Erin's sense of humor. Her presence in the room was always comforting. She knew when to listen and when to speak up and always knew what to say. Listening to her talk about her girls was my favorite! They literally lit up her eyes and her smile. It is a blessing to have known her and I will honor her memory always!

“ We will surely miss your laughter and adaptability to make any situation a happier one. Erin's oldest daughter is in our sons class at Primrose School. We loved all the times we had at school and at kids birthday parties. I know our son will be a friend to Bailey for a long time to come. With Love, Michael, Lori, Sophia, and Ethan Lentz
