“ *Too soon. I have fond memories of Erin, dating back 30 years, to hanging with us around the firepit (His impersonation of Howard Cosell was spot on!) with him as our DJ for the night (his music selection was always great) to taking the drive down Walhalla street and scaring the kids at Halloween, only to have him scare me the most! Our boys looked up to him and he always took the time to talk with them. He was a great friend and he will be forever missed. I raise a Bud in your honor. We love you Erin!*

“ Feeling incredibly sad since hearing the news yesterday. Erin was my little brothers best friend since they were 8 years old. Because of that friendship I got to know him and became friends with him as well. Really he was more than a friend to us, he was part of our family. My mind is full of hilarious memories of watching those two grow up. Erin could be quite the comedian, and when with my brother Sean, it was continuous laughter. I'm thankful for his friendship. Erin was always a loyal and very thoughtful friend. I'm so glad that in the last several years we got to spend a lot of time together. I'm going to miss him terribly. Be at peace my friend, and love to your family

“ I have known Erin my entire life as our parents are great friends. From the beach house, to hanging out at home with our families. When we moved back to Ohio in 2008 you became a brother to me. You picked on me and gave me advice. Your spirit, your smile and your friendship will be missed. You have had stuff thrown at you in your life but you stayed strong and I always saw you smile. Love you Erin. Angel in heaven now.

“ Erin was my best friend for 38 years. I loved him like a brother. I am devastated by his passing. The Johnston house was like my second home growing up. Erin was good man and a better friend. He leaves three beautiful, strong daughters. My heart goes out to each of you. Bob and Diane, thank you for bringing my best friend into my life. Anything you need, let me know. God Bless you all and may you be at peace my brother, I love you.

“ Bob, Diane, Brooke, Elaine & Cami...I am TRULY and SINCERELY sorry for the passing of Erin. He had been dealt a raw hand but NEVER complained! He was SO PROUD of "his girls" and was super stoked to have seen the Dayton Air Show this past summer. I will miss him blowing the leaves & meticulously cleaning and shining the cars in the driveway. Fly high and break the sound barrier Erin! You can see everything clearly now!! Sincerely, Trish Jones
