“ *Jane and Claudette and Family: Our thoughts and prayers are with you during this difficult time. I watched the video through tears, and it brought back so many good memories. Your mother was a beautiful lady, inside as well as outside. I know you will grieve, but just remember the wonderful times and there are so many to remember. Just know that we are thinking of you, and praying that God will give you peace. We love you. Betty and A. P.*
