“ Dear Burleson family, I want to extend my condolences regarding your loss. Although not knowing Mr. Burleson or your family personally my heart extends to anyone who has lost a loved one in death. It's beautiful to see someone that is surrounded by family and to know that you can be there to support each other during this difficult period. We can take comfort in God's Word the Bible that soon "death will be no more" (Rev 21:3-4) and soon there will be a resurrection of the "just and unjust" (Acts 24:15. My sympathies to you all.
