“ *We were honored to know Mike from the time our family sat behind him at basketball games at St. John Arena and throughout the years. We looked for him at every game and was always so happy to see him. He was that sort of man, you knew when you were able to shake his hand his smile would make you happy. We will miss seeing him. God Bless you and your family - we know he will be truly missed.*

“ Dear Gayle and Family, Your father was a man of great class, warmth and gentleness. When I saw him in the parking lot of SMS a couple of years ago, he remembered me," You're Gayle's friend, a Tortora," he said as a big, sweet smile crossed his face. Your mom was so pleased he remembered. I will visit him often in Walnut Grove where I walk my dog Chauncy. He will be in good company with my grandparents and parishioners from SMS and will probably share a joke or two. God's blessings on your family Gayle and much love...Carla and Dan Madigan

“ We will always cherish the times we spent talking with Mike and learning from his life experiences. Whether it was sitting on a bench on the village green, running into him in the hardware store, at community gatherings or even just our walks in Walnut Grove Cemetery, time spent learning from Mike was time well-spent. His experiences during the Korean War and when he got home are something all who listened learned from. Our sympathies to his family and all those who will miss him.

“ My deepest sympathy goes to the family and friends of Mike Colston. While I would have liked to have paid my respects and offered my sympathy in person, health issues in my family made a move back to my native Connecticut a necessity so that I will not be able to attend the services in Worthington. It was a pleasure to work with Mike at Ohio State and know that he will be sorely missed by all who knew him. John Stelma
