“ We were once a threesome, Ethel, Nancy and I, leaders of Cadette Girl Scout Troop 260. I know Ethel will always be remembered with love and respect by the members of that troop, as well as with me. She created so many wondrous memories.

“ I am so glad I got to spend some time recently with Ethel when I did her last perm. We had such a nice visit. Ethel had the most beautiful, thick, snow white hair! We had coffee and chocolate, so she was happy. I learned a lot about Ethel's life over the years. She was truly an amazing woman. I will certainly miss having her in my life. Sincerely, Margie Novak

“ Ethel will be missed dearly. She was kind but told it like it is. When I would visit my sister Donna she would inevitably show up and hand us a strawberry pie and say she thought we needed dessert. She knew the strawberry pie was my all time favorite.
Now she is in heaven watching over us.
