“ *Aunt Ethel:*

A gracious lady, mother to gracious children, wife to a respected uncle. A lover of Jesus Christ, a pastor's wife, a person eager to introduce children to Jesus. A mother, grandmother, and great grandmother. A writer of upbeat notes and letters to nieces and nephews to the end of her life.

Just short of a century in length, her life spanned from the opening of the First World War well into the second decade of the twenty-first century, but it was lived with a peace and composure that contrasted strongly with the violence and upheaval of the times through which she lived. With a smile and soft word of encouragement whenever we met, she blessed our lives.

Peace to her memory.
