“ *Linda and family;*

*I am sincerely sorry to get this news. As you know Eugene and I were best friends growing up and I spent many nights at his house as he did ours. We had a lot of experiences back then, a lot I'm sure you have heard about and some you probably don't want to hear about, but all very special to me.*

*I have been thinking a lot about Eugene lately, thinking I might call to see how he was doing but afraid to find out.*

*Please tell Bev how sorry I am also. We haven't been in contact in many years. I hope she and her family are all right.*

*I regret that we will not be able to make the services due to previous family obligations but be assured I will be thinking about him.*

“ *When I was in high school Gene came home from the service to visit his brother’s family. I was watching his nieces and nephew at the time. We had the best talk. He told me about his service in Panama speaking to me as an adult, not a kid. I never forgot that visit. My sincerest condolences to Linda, Bev and his family. We lost a good man in Gene, even if he was a tea drinker like my sis, Sherry!* ❤️
