“ To Mrs. Kathy Riblet and to all the family of Mr. Eugene Riblet, I offer my sincere condolences on learning of his death. Some years ago we were neighbors on Sanbridge Circle in Worthington. When Mr. Riblet learned that my husband, Michael, was diagnosed with cancer, he introduced himself, told me about cancer support groups and offered words of encouragement. And from time to time he would ask how Michael was doing. And while I didn't see the Riblets again after Michael died and I moved, I always will recall Mr. Riblet as a decent and caring man.
