“ *Bill, Kristy, David, Logan, Sienna and Family -*

We are so incredibly saddened for you and all of your family. There are no right words to convey how heartbroken we are. Faith touched our lives in so many ways. We will never forget everything she championed and supported Joe and I through. We are just two of many. Faith's mission was always how to make things better and to help in any way that she could. Her first and foremost love was her family. We will forever miss and love her. You are all close in our hearts and prayers.

We love you all, Rebecca and Joe Zimmerman
