“ *I, am missing my friend & Huntington Bank co-worker. I, retired in 1994 and Faith retired in 1982. We still kept in contact after all these years. We were friends with Jean Ison Smith and Ken Smith and continued our friendships. They now live in Florida. Both Jean and I were in touch with Faith just days before she passed away. This was a shock.*

Faith missed "her Bob" so much. Now, she is at peace and pain free with her soul-mate.

Faith was such a role model for me and other women in the banking industry.

Faith always took time to help anyone that called upon her. SHE was special.

Susan, I am so sorry for the loss of your Mother. You are in my prayers.
