“ *Tony, I wish I had a chance to say goodbye to you. I guess life's unfair like that sometimes. I always enjoyed talking to you & laughing. Although I really only knew you through work, I considered you a good friend. I think about you often & I'll never forget you. Hope I see you again one day.*

“ *Tony Ill never forget you, you were my best friend and like a father to me. I miss you so much and always thought you would be there for me as I got older. I learned so much from you and will always remember the times we spent together. I miss you so much and I think about you everyday, you dont know how much you meant to me and how much my life has changed because of you. You and I always considered each other family, and I just cant believe you are gone. I love you Jared*
