“ *I am sorry to hear of Ferne's passing and was unable to make her service, so I just wanted to send my condolences. She was such a sweet & loving woman, I knew exactly where my Aunt Joyce got all her traits from. My thoughts and prayers go out to all the family; I know she will be truly missed. “ *I was told this afternoon that Mrs. Myers had passed away. Please accept my condolences for your loss, and know that she was a wonderful musician and teacher. She was my piano teacher many years ago as a child. Her talents and dedication to teaching piano have been one of my greatest blessings. I am now a professional musician, and I would think of her often for all she did for me. My success as a professional musician is due large in part to her, and I am forever grateful. I wish your family the best, Robert Waugh*

“ A wonderful and gifted musician has entered her Heavenly Home. My heart was saddened as I read her obituary but my thoughts went back to the many times I remembered her playing with her Dad and Lowell and playing the harp. She also played in our wedding in 1970. I remember going to her home and going through the music to be used. What pleasant memories. My sympathy and prayers go out to the entire family.

“ My mind races back to musical moments with Ferne--what a great accompanist. I remember social events with Ferne and Lowell that were such happy times. Can see Ferne already teaching an angel accompanist how to transpose a musical number. See you in the Kingdom, Ferne. Julie
