She was a great lady and I learned so much from her at Doctor's Hospital I still think of her only being 50 but that is us now. I just want you to know I admired your mom she was a special asset to the nursing profession. Take care and Peace to you and your family. Love, Kathy*

“ Linda, Patty and Nancy, Please accept my sincere condolences. Your Mom was very good to me in my early years and I really appreciated her mentoring. I'm trying to rearrange a few things for tomorrow - to see you at Rutherford. If not, please forgive my absence, but know that I'll be thinking about you - and Mom. Rick

“ My mother, Clara Larson, sat at the dining table with Fran during the time Fran was at the Sanctuary. All of us send our deepest sympathy at your loss. Mother always enjoyed being with Fran and only wished that Fran would "speak louder" as my mother cannot hear so well. Both my husband and I came to know Fran while visiting at the Sanctuary. She would be waiting at the start of the line ready to go into dinner. Being a nurse, myself, I enjoyed talking with her. Our prayers and love to you all. Clara Larson, Sharon and Terry Carlson
