“ *Sorry. Cherish the simple things. For me it is the memmory of racing to the door trying to catch the mail man. You are all in my prayers.*

“ *Dear Old Frank. Known him for years and the world will be emptier now. He sometimes felt like a family member. He was always so kind and generous and we loved his "stories". We loved his food too! He truly enjoyed his friends and we will miss him very much. May he now rest and be content. Our condolences to his family .

“ *Frank, Mike, Mitch & Family I am so sorry that you all have to go through sorrow again, so soon. I have nothing but happy memories of your dad. Everyone at the fire department wanted to have him as their partner. He was always so much fun to work with. I remember going with him to a house fire on Sharon Hill. One bedroom was fully involved and fire was coming down the hallway. He was the nozzle man and had the fire knocked down by the time I got to him. He was making strange noises, I though he was sick, Instead he was laughing. I asked "what's wrong" and he answered, "I'm having so much fun". I will always remember your dad as having so much fun. My sincere sympathy Alan*

“ My deepest sympathies and condolences to the Aleshire family. Frank was a lovable old fart with a heart as big as they come, willing to do whatever for whomever. I am definitely going to miss our weekly talks, discussions, arguments and conversations we shared. He and Penny are together again.

“ An inspiring example of wisdom. Helped me through a lot of things, and still wanted to give more. I owe him much. Will be missed dearly.

“ Frank was a very dear person to me. He always had advice to give and if you'd listen, you'd truly learn. A curmudgeon? Yes, at times, but had a big heart. I will miss him terribly.
