“ *I am so so sadden to that I just heard about Frank Halls passing several years ago. He was such a champion of all things good. I can say that I admired him as a loving husband and father, and as son one who always made me feel welcomed in their home. I cannot properly emphasize the importance Frank and the Hall family was in my child to adulthood years. He and the family: Jo, Tammy, Brett and Heath will always be family in my heart. Thank you all. R.I.P Frank*

“ We remember the many years that during which we knew Frank on the soccer field and elsewhere in Worthington. We would have liked to attend the ceremonies of remembrance but at our age and with the Corona pandemic it became prudent not to do so. We hope to be forgiven. Abramo and Joan Ottolenghi

“ It was 34 years ago that we were introduced to Frank Hall. We had moved back from Florida and we were looking to buy a home. It was at that time that Frank became our realtor and forever friend. Our daughter, Erin, was three at the time and took a great liking to Frank. She became his passenger as we looked for our new home. In Erin's mind, Jo and Frank became her "adopted" grandparents. Your family is in our thoughts and prayers.
