“ *Frank and I worked together at the Ohio Military Academy and had many great times together! He was an excellant NCO and I learned many lessons from Frank. His leadership and military knowledge were an asset to the Academy and the Ohio Army National Guard. I will miss you Brother!*

“ *I, too, worked with Frank at the RTI--I was an E-4 thru 6 then. Wonderful man!! I will never forget him grilling in the field--making burgers about a pound each and dropping about a 1/2 stick of butter on top of each!! I have never smelled anything so good--before or since!! I know his family will mis him greatly--as we did when he retired!!*

“ My heartfelt sympathy to the family. I had the wonderful opportunity to work with Frank when standing up the Personnel Services Detachment of the newly organized Regimental Support Squadron back in the late 80s. What a long time ago, and yet I can still see that very coy smile and chuckle of Frank like it was yesterday. I can't add to the other beautiful and gracious comments that have already accurately described Frank, but to simply agree with them whole heartedly. God bless you indeed and may you rest in peace.

“ Frank & I worked on many projects together at the RTI. A great NCO as well as a friendly & cordial gentleman. All the other postings are absolutely descriptive of Frank. When you wanted something done right & on time, Frank was the guy to call. I am truly saddened by his passing. I heard his voice & laugh throughout the day today. We talked & laughed a lot together. My very best to all the family.

“ I had the pleasure of working with Frank in Stow in the early 90's until he went to work at the OMA/RTI. Always a smile and a positive attitude. I remember going to lunch one day and stopping at a garage sale, to look for antique radios. RIP Frank, you are missed.

“ Prayers and sympathy to you Kimberly, grandchildren, and other family members. I can only repeat what others have already said. Frank was cool-mannered, professional, and always had a good word. I always called him "Friendly Frank of the Faletic Family".

“ I served with Frank during my last five years before retiring from the Ohio Army National Guard. Not only was Frank a tireless NCO and dedicated soldier, I remember a true gentleman. Sadly, we lost touch over the years, but I have thought of Frank often and will continue to think of him fondly.

“ Frank and I worked closely together at the RTI. He was a tireless worker in the Officer Candidate Program and was committed to these young soldiers being successful. Frank was a man to lift spirits and did so with all of us. He was a fine NCO, but most of all a wonderful person that I am pleased to have known as a friend.

“ So sad to hear this. Frank was a great guy. We were close friends for many years in the Army Guard and when we both lived in Gahanna. I had lost track of Frank until several months ago when he met me for lunch in Bexley. It was a great reunion and I was reminded why I liked the guy so much. I will miss him greatly.
