“ *I graduated with Frank at HHS in 1956. He was a Really Nice Guy and he went on to be Great as a Columbus Policeman. Better than that, he was a Great Person that his Family can be proud of. He did come to Our HHS Breakfast & Dinners but have not seen him and his wife for a few years. Hope to see him in Heaven.*

God Bless,

“ I am so blessed to be part of such a wonderful family that loves one another more than words can describe. A great man will be remembered always as a loving husband, father, grandfather, and to me an amazing uncle. The memories of candy hidden in closets and pots of calm chowder on the stove at Holden Beach will live on forever. I could go for some chocolate chip pancakes too like he used to make us every time I spent the night with my cousins. They say the way to someone's heart is through their stomach. Well, my uncle opened the hearts of many with much more than his culinary genius. One of the kindest souls to ever have been known will truly be missed!! Love you Uncle Frank!!

“ *Sue,
I am speechless. I love that man to death. 15-20 fishing trips to Canada over the years, as recent as summer of 2015.
Frank will really be missed.

I am seldom lost for words but Frank's passing leaves a hole in my heart. Joe and I have wonderful memories of fish fries and evenings spent laughing and enjoying the friendship that he so willingly gave. He and Sue Ann raised great kids. Hugs and comfort to all his family and friends who loved him.
