“ *Sharon and Family,*
I have so many fond memories of Uncle 'Bud'---most of all what a fun person he was! He had a wonderful sense of humor and just seemed to have the ability to roll with the punches. Daddy was definitely the more serious of the brothers, more like his mum. Uncle Bud was much like Papa and so easy-going. My boys used to get a chuckle out of Uncle Bud, well into his 80's, pulling his day planner out to double check he had no 'pressing engagements' that would interfere with a get-together and his slipping them a buck when we came to visit. Such a vivacious man and a pleasure to have called my Uncle. Shall miss him!

Hugs!

“ Sharon,

Although I've never met you, I was one of the Monday Meals on Wheels delivery people who had your Dad on my route and as a client. Let me say that he was the highlite of the route and an absolute pleasure to have as a client. High school students would often accompany me as part of a class requirement and your Dad was always thrilled to see the kids and the kids were equally thrilled to greet him. Such a kind man! I believe I delivered to him on his 99th birthday.

I will really miss him every Monday.

My thoughts are with you.

He truly had a wonderful life and judging from his demeanor, a happy one!

“ *My condolences to the family. While I am certainly sadden by Dr. Hartman's passing, it brings a smile to my face to have known him. Dr. Hartman was one of my professors at OSU from 1975-1979. As the owner of Smith Farm Market in Columbus for thirty-two years, I would often cross paths with him at the Ohio Fruit and Vegetable Grower's meetings. I always found him to be an engaging and kind person. I considered him my horticulture professor and a friend within my professional life. He will be missed and will always a part of me. May the grace of God and God's peace be with Dr. Hartman, his family and his friends. Bill Kline, 3087 Courtright Road, Columbus, Ohio 43232*

“ Sharon, I'll miss Fred so much. He was one of my first clients while establishing my business in Worthington and was much more than a client. I loved hanging out on his back porch listening to him explain varieties of his plants and new plants he combined create hybrids. I loved discussing all the amazing football games he attended, such as the Ohio Stadium Dedication game in 1922 vs Michigan. He was always a great gentleman with my daughters at the Memorial Day parade, we loved watching the parade with Fred. I am grateful for all the memories and my family will forever cherish our memories of Fred.

“ Sharon and family,
We were very sorry to hear of your father's passing. He was a wonderful teacher and mentor to many fruit growers in the state of Ohio. His sense of humor always endeared him to his students and alumni. This quality helped him to live for almost a century.

“ Your father was a favorite patient of our dental office and we had the pleasure of seeing him not to long ago...my father is Dr. Joe Massaro and Fred was a special patient for many years...we just loved him. His memory was sharp and we loved to talk about his favorite subject, his fruit trees. I was hoping to be invited to his 100th birthday party. He will be missed but you had a special father...a friend to all.

“ I came to Ohio State for graduate work in Horticulture and later became a faculty member. Fred and I shared many good times in the Department, Jan and I joined Indianola Lutheran Church where your Mom & Dad were members, Sherrie. In recent years, Fred and I were members of the Worthington Arbor Advisory Committee. He was an avid participant and, although he couldn't hear everything, he enjoyed being at every meeting. He will be sorely missed...Jan & Ken Reisch

“ Sharon and Family. I was a secretary in the department of Horticulture and had the highest regard for your father. Everybody loved Fred O. He was so kind and a true gentlemen. One time he gave me his tickets to one of the OSU football games and insisted that he wouldn't take any money for them. We kept in touch after he retired and on several occasions he took me to the Faculty Club for lunch. I would also see him at the Chadwick Arboretum Arbor Day celebrations. After that he would rush back to attend the Worthington City Arbor Day celebration. I always looked forward to his Christmas cards each year. He was the BEST and will be missed. “ Two brothers could not have been closer than our Dads . It was truly a blessing to have such a wonderful uncle. He knew how to be "cool" at ninety plus years! Many fond memories of the times we shared will forever live on in my heart. I loved him too.

“ Sherry-
You know how sorry I feel for you, Chris and the kids. Losing a parent is so tough. I feel like I've just lost my Dad all over again. Your Father was my second Dad.

I'll miss him and his humor. He was so loved by so many and especially by me, his 2nd daughter, as he liked to call me.

God graced you with one terrific Dad, and what a beautiful life he showed you. He raised a wonderful daughter. You're a lucky gal.

Love you bunches - Marti

“ Your loved one lived a long life. He had what the Bible calls "special mightiness".(Psalms 90:10) We've been promised the hope of a resurrection whereby,you will have the opportunity to be reunited with "FRED" again right here on earth, without anymore ailments. (Job 14:14,15) (Isaiah 33:24) May you look towards that hope.I'm sorry for your loss.
