“ *Traveling with Fred to places like Key West was special because he would want to go to all the places that he and Donna went to together. I know he is happy now because he is with his beloved Donna. I will miss him sorely. We didn't spend enough time together. My condolences to the entire Moser family.*

Phil Brown - November 09, 2008 at 12:00 AM

“ *We met Fred through the Holmes and Phil Brown. Although we didn't see him too often, when we did, we always had a good time. Fred made us laugh! And what a ladies man! I'll never forget mentioning I liked the perfume "Green Tea". Next time we saw Fred, he had bought "Green Tea" for me from the Army PX. We are glad we got to know Fred and will miss him. Our deepest condolences to the whole family.*
