“ *My sincere condolences to the entire family. I knew Fred for a short decade in my younger years but have many fond memories of him. I can honestly say thinking back, I don't think I ever met a smarter, more gentle, patient, loving man than Fred Herchline Sr. In his own way, his actions and the way he lived, spoke volumes about his faith in a quiet and humble way. I'm sure he will be missed but I am sure leaves an equal legacy.*
