“ *Mike, (Kathy, Debbie, and Doug) Sorry to hear about your father. We've lost track over the years. I was recently reminiscing and telling someone about 2 families I had grown up with on the Westside and I didn't realize until I got older and had children, and now a grandchild, how much the parents of those families had meant to me and influenced me when I was young. Your father was a good man in business, but more importantly a great man with his family and their friends.*

“ *Dear Debbie and Denny, You have our deepest sympathy on the passing of Debbie's dad, Fredrick Shaaf. We read his obituary, he was a very accomplished business leader. Our favorite part was his that his grandchildren called him "Dads". He must have been a very special "dads" to have raised a daughter like Debbie. May God bless you all. Roger and jeannine*

“ *Debbie, Kathy, Doug, Mike, and Family Your Father was a great man. I was so blessed to have worked with Fred, and his loving family. My thoughts and prayers are with you. I just wish it could have been longer. Every night I tucked him into bed the last few months and told him when I would be back and see him, He would say o.k. hon. but I wondered myself if I really would. I knew I wanted too, but I also knew he was tired and very weak. but it still isn't any easier. He is in a far better place now. we are all going to miss him.*
