“ Dear Curry Family,
My condolences in the loss of Craig. He was a true gentleman and a very conscientious professional. I had the pleasure of knowing and working with Craig in different capacities. My first shoulder to shoulder work with Craig was when we were on a Reynoldsburg Educators Association negotiations team in the 70's that led to the first teacher strike in the history of the school district. In pressure packed days like that, real men and women show up and I remember Craig as principled and stoic. Later in our careers, I served the high school as a principal and I often sought Craig's perspective on issues. At times he wa a bit too conservative for me 😊 but his wisdom was always appreciated. He was a fine, principled man and school teacher. Sorry to miss visitation hours but my best to all. Sincerely, Dan Hoffman, Former Principal, Reynoldsburg High School
