“ *I am so sorry for Carl and his family's loss. She was a great lady . I met her and Carl thru Denise my sister. I loved her pies and dinner party's , the cook outs down at the pond will always have fond memories of those especially. She is gone but will never be forgotten. I will always be thankful for her taking my sister and family under her wing and being the 2nd mother Denise needed.*

“ Sending my condolences to Carl and your family and Rob and Denise and my nieces and nephews who became family with Carl and Gail. I remember the first time Jim and I met Carl and Gail. Rob and Denise had recently moved to their home and we were visiting. The four of us were riding 2 quads back in the woods and Carl and Gail pulled up on their quad and kicked us off of the property. I was terrified! Not long after that, Rob and Denise became very close with them and their relationship only strengthened over the years. May you rest in peace, Gail!
