“ *Dear Karen, Tomsy and Rick, I hope you remember our family--your dad and mine were best friends and the last time I saw your parents was at a nursing home where they were visiting my dad many years ago. Your parents were wonderful and I have so many memories of coming to your house when we were very young--have many photos of you. I am thinking of all of you today and missing our parents so much.*

“ *I'm so sorry to hear that Gail has passed away. I still remember the many mornings of toast marathons in her kitchen. She was a lovely lady.*

“ Hello my dear friends it has been so long. I was sorry to read of your Mother's passing, i have so many fond memories of your Mom and growing up with your family. It does not seem possible so much time has passed. I just wanted to say that you are all in my thoughts and prayers tonight. You probably know that my Mom got to visit with your Mom a couple of years ago. My mother is now in a nursing home herself. She will turn 88 this Friday. All of my memories of growing up in our neighborhood are good ones. My love to all of you. Sheri Piersol
