“ Caitlin, Pleas accept my sincerely condolences on the loss of Gary. He and I reconnected through classmates.com just a week before his passing. Gary was one of my favorite classmates. He was always so much fun...a true lover of life. He spoke so lovingly of you in his email to me. I know you two were soulmates and everyone should experience that in their lifetime. My thoughts and prayers are with you and your family. Julie

“ Words will never be enough to express our extreme sadness of hearing of this news. Gary was one of the best and all around coolest guys we have had the pleasure of knowing. His love for Cailin is one for us all to respect and strive for. His love for his children and family was evident in his smile as he spoke of them. May God wrap them all in arms of strength. We will miss his cheerfull face and the world is not as good without him here, but we will live forward with his spirit guiding us. After all he would not want us to do otherwise. Peace and Love to his family and remember his love for you all.
