“ I am so sorry to hear this. I am away on vacation and saw this news pop up on Facebook. Chief was so good to me. Mailman and chief were always my favorite when they would visit me at Murphy's! I remember finally getting to meet Lisa for the first time and instantly connecting.

*After leaving the bartending world I loved our random run-ins at local bars or osu game tail gates. I am so sad to think that this season I won't have that chance.*

*Finally, as everyone else has said, chief always invited me boating! He always got so happy when he brought it up.*

*My thoughts and prayers are with Lisa and his family.*

“ I will always remember Chief. Very fun loving and caring. You will always be in my heart. There will never be a time that you aren't remembered, especially the great times at Average Joe's.

*Sadly missed,

“ I, like so many others here lost a great friend. Always a laugh, a sarcastic view of the life we live and enjoying a beer with Chief will be missed. Asking permission to come aboard. Laughing that Michigan sucks and enjoying every minute of those OSU/MI parties. Golf outings that turned into hurricanes, his story of Turbo and all the friends he has had ...and bellied up to the bar. Those are just a few things I will miss. I always knew he had an open tab and would say to the bartender "put it on Chiefs" to which he would just laugh and then order a shot too. I know we are all saddened but I'm not going to let this bring me down. I prefer to be a "celebrator" of life and memories of Chief will make me smile. I am happy and proud to say "Chief" was a friend. One I will truly miss. This Buds for you.
