“ I am so sorry to hear of Gary's passing, and my condolences go out to his entire family. During the year 1962-1966 Gary and I were on various little league baseball teams, and ran around most of Worthington together. I grew up at 117 East New England Avenue in Worthington. However I went to Bishop Watterson High instead of Thomas Worthington High School. Gary and I had many mutual friends in the class of 1968. I remember him as a happy go lucky teenage boy, riding down to the river, playing ball and such. You are remembered in my prayers. “ Emil, A co-worker, Tom Severns, of Gary when we were in the Auditor of State's office alerted me his death. I was shocked to learn of his passing. My hope has always been that I never have to bury any of my 4 children and now 8 grandchildren. What a burden for you to carry. For you and your wife, please accept my very sincere and deepest sympathy. Gary was a great guy and we had fun working together in the AOS office. He will be missed. Peace.
