“ Gary was my fraternity brother at the University of Cincinnati, Delta Tau Delta. Our rooms in the frat house were right next to each. Gary's nick name was Toots and he was very well liked by all that knew him. Gary was very serious about his studies and he set a great example for the younger brothers in the fraternity. Gary was my good friend and we had a lot of fun. I'm so sorry to learn of his passing. My deepest condolences to his family and friends. He will be truly missed by all of us that loved him.
