“ So sorry for your (and our) loss. Wally was a staple in the Morgan jam group. He was fun to have there and was always ready to sing most any song. He had told us he never liked the group Bread, so we always teased him by trying to get him to sing songs by Bread. He was easy to tease because he had a great sense of humor. We will all miss him a great deal. Take comfort in the fact that so many people loved him.

“ Kim, I am so sorry. Wally was like the big brother I never had. There was nothing better than getting to play guitar with him in Morgan After, listen to his stories, and laugh. There's a song I can't ever hear without thinking of him and laughing-Son of a Son of a Sailor- because no matter how many times we played it, there was always one line we couldn't get right. My prayers and thoughts are with you and the entire family. Thanks, Wally-thanks for the music and laughs.

“ Gary was my cousin and lived across the road from my home. We grew up together enjoying farm life (most of the time). Gary was always fun and enjoyed life to the fullest. I have not seen him since the lost of our aunts and uncles lead to our no longer holding family reunions. I wish his family peace and know he will be missed. If I can help in any way please let me know.

“ I am so sorry that Wally has left us. My first real memory of Wally was at the Brown Jug playing with a band. He was singing and just enjoying himself so much!!! And that is how I remember such an exceptional person. He just simply enjoyed life. One year we went to a friend's house after the brown jug races due to rain and we had a sing along. It was so much fun!!! And all the many times at the Cutler's swimming and BBQs we enjoyed. There are too many times of being with Wally and Kim to list them all. And because of that Wally has left us with so many memories. He was dearly loved by so many. RIP our dear friend.
