“ *Family is not only defined by blood relation. It also by the bond formed by people who have come to love the company of others, and the others will miss the joys that their company brought into their lives. Geoff will be sorely missed, Donna. Not only has the Vous lost a great soul, but the world as a whole lost a great person.*

“ I am so sorry to hear of Geoff's passing. When I talked with him on Sunday at church, he smiled when he told me he was planning to start dancing to help rehabilitate his back. And now he is dancing into the arms of our loving Lord. Peace to Geoff, peace to Donna and to all those who knew his kind and caring soul.
