“ George was truly special, the kind of person one does not forget. He was a kind soul with an ornery spirit and a welcoming smile. He always had a joke or a song to brighten the day. It was a pleasure to know George and work with him and he will be greatly missed. My thoughts and prayers go out to his family for their tremendous loss. I hope you find peace in knowing what a wonderful person George was and what a gift he was to all who knew him.

“ My thoughts and prayers go out to the family. Just knowing George was a gift. He was always happy and funny with a twinkle in his eye. He was truly the most "unforgettable character". I will miss talking and laughing with him. I know this is such a loss for the family but it is also a loss for his family at Home Reach. I will always cherish the memories of talking with him early in the morning. Thank you for sharing your father with all of us.
