“ *George was a patient of mine for many years. He was always full of life, engaging and lively in all of our interactions. I'm sorry that he had to leave us but he was prepared and accepting of his transition. He will be missed by all of us but he will live on in our fond memories! My best wishes to George's loving family! Tom Pedrick, MD*

“ *My memories of George are always fond and make me smile. When i was a kid I always felt welcomed and loved in that home, in no small part to George's warmth and humor (and he had his own brand of humor!). He lived a long and active life so that is a blessing, but he will be terribly missed. -- Mark Davidson*
