“ Karen,

We just heard the news and very saddened to hear of George's passing!! Many, many years of my life have had George in it from being my principal during my junior high years to family friend because of our close connections of Dad and George working together to George stopping to visit through the years!! I know I was always supposed to behave as a student through my school years because I was a superintendent's kid yet somehow I would find myself sitting in George's office!! George loved his students! I'm so sorry we missed the memorial service but we didn't know! We love you!! I envision a reunion in heaven with Wayne and George joking around!!

This is the handsome, happy George dancing with his lovely wife, Karen, in 2007 at the Bates-Kreider wedding in Santa Barbara, CA. We asked them to lead a dance dedicated to longtime happy marriages that they so personified.
