“ Dear Madden Family, Noticed the obituary of your dear Dad/ husband/Granddad. What an immense loss for you all. Please know my thoughts are with you throughout this weekend as you remember and celebrate a worthy life and grieve the separation together. I have fond memories of spending many overnights with my best bud, Colleen, at your house on Reed Rd. as well as summer trips to Piedmont Lake with your family. My mom passed in December of 2005, my Dad is still in his home on Millwood Dr. but struggling with major memory loss. We hope to talk him into moving into a safer environment soon. Thinking of you Lovingly, Sue
