“ Georgia was a dear friend who I met at the Verena at Hilliard. We enjoyed shopping together, especially at Kohl's. Georgia was great to be around happy, interested in everyone! She really enjoyed going on all the trips the Verena scheduled. I will miss her, I know she is Heaven meeting all her family and friends that have gone before her. Pray the Lord will bless her family with peace and strength.

“ When Georgia married my grandfather Pap (Charles) when I was an early teen she became my and my brothers grandmother and was wonderful at that vocation which she eagerly entered. I will never forget the trips to friendlies ice cream and the many visits with her and Pap and seeing her when we traveled to Ohio. Sept 2019 she visited my wife and I in California visiting all the sites she wanted to see, Laguna Beach art district, Dana Point, Queen Mary, and her favorite riding the merry go-round at Santa Monica Pier. Will miss her. Into the hands of God!
