“ *My childhood memories are laden with the anticipation of seeing Director Gerry then rehearsing and performing with the Kinderchor with her at the helm. My deepest sympathies and prayers of comfort go forth the the family and all those who loved her.*

“ *My deepest sympathy to all of the Gerry Wirth family and all her friends. Gerry was a good friend with a kind heart, she always remembered to send that thoughtful note or card. I remember all those annual delicious Christmas dinners at her lovely holiday decorated home with other close friends. She was a great Buckeye football fan and attended many other games. Opera was another of her great interests, especially the Columbis Opera. Gerry will be truly missed.*

Gerry was a lovely lady. A number of years ago I had the responsibility of calling a list of church members who no longer drove to see if they would like to receive Home Communion. Gerry was one of them and I always enjoyed our friendly chats on the phone.

Gerry was my first music director of the Columbus Kinderchor, and later I had the privilege of singing with her in the Columbus Damenchor. I admired her passion for music, and will miss her.
