“ *I am so sorry for your loss!*

I remember Gerry very well throughout my teenage years. All of the "fun" Rachel and I must have put her through! I can see her face and the look she would give us when we did something we shouldn't have done.

Gerry was a wonderful woman and mom who cared deeply for the people around her. She is at peace now.

My love goes out to all of you during this difficult time! I wish I could be there to say it in person. Please take care!

*Love,
Christine*

“ Sweetness and love, (with a hint of troublemaker), that is the endearing feeling which enveloped me the last time I visited with Gerry An. She invited me to stay for as long as I wished and was sorry to see me go. Her infectious hearty laugh, always at the ready, she was eager to share her funny and often amazing family stories. Here was a wonderful lady I was sorry not to know better as a child, even more as an adult. I treasure all of my time in her company and with her children, my cousins. Such a beautiful family she has given to us to enjoy! I weep for her passing and feel joy for the end of any suffering she may have endured. Blessings and peace to the family, love to you all.
