“ Gil was a one of a kind friend. Once Jon and I were struggling packing this new sleep number bed we bought and didn't adjust to it, we were really having a hard time, here comes Gil, pushing and pressing the pieces of mattress and bedding in boxes, he was truly a one of a kind soul. I have never met someone so ready to do something for someone else, he was so kind. We love you Gil, and you will always be in our hearts 🥺💔
