“ *Dear Moos Family, One of my favorite memories of Glenn is his stunning array of tulips every spring. I took great pride in my garden around our old oak tree. BUT year after year i worked to produce surpass Glenn's Spring Glory, while the squirrels busily chomped off the blooms. I used to joke about sneaking down in the middle of the night to steal his tulips and tuck them into my poor depleted display. It was a running joke between us. Glenn also gave me several euonymus ground cover plants that he was thinning from his side yard. After a couple of years it formed a lovely carpet of emerald green beside our garage. Thank you Glenn.
