“ *Mary,
I knew Glenn at DSCC and we shared many times Jesus and the Bible. You have our deepest sympathy over your dad's passing. As Jesus promised Glenn is now in full of Life with Him.*

“ *I worked with Glenn at DSCC. He was always a bright light in the office. Always smiling and cheerful. We would talk about the Lord together and he was willing to pray with me when I was in need. I appreciated his encouragement. I am so grateful for his faith in the Lord Jesus and that he is now at rest with His Lord. He would often talk about his grandchildren. How he loved them. I hope the family can have comfort knowing that Glenn is now resting in the Lord.*

“ I knew Glenn from my work at Whetstone Care Center. He was such a friendly soul and was able to keep his "chin up" and remain pleasant even through his toughest days. I am so grateful he is at peace now. My thoughts and prayers to his family. He loved you all so much!

“ I knew Glenn at Whetstone. He was always pleasant , polite and respectful to the staff. He was an interesting man to talk with. He attended a sing along we did and always requested his favorite Elvis song and told us he sang it to his wife when they dated. As we would sing the love song he would become teary eyed but still wanted us to play and sing their song. What a sweet kind man Glenn was. I'm glad I had the opportunity to know him. I know he will be missed by all.

His faith in God was evident and I hope his family finds comfort thru their faith.

Prayers for your family

My mistake "our cousin Lee, not uncle" That's what comes from my being the baby of the family.
