“ *I'm so sorry we missed the calling hours for Glenna. She was so wonderful to open the Keith home to our neighborhood every year for the Christmas Progressive Dinner. She and Keith were gracious hosts and all of us on Beechview Drive learned to love them. While we have missed Glenna since her move to Virginia, we knew she was happy to be near Jan. God bless the entire Keith Family as they grieve for their wonderful matriarch. Our sympathies are with you.*

“ *Bruce, Mom and I were so sorry to hear of Glenna's passing. She was such a happy, delightful person...always clapping to the music being played for the elderly at Dunlop House, always greeting everyone with a big, warm smile. I remember meeting Glenna nearly 40 years ago when her daughter, Jan, brought her to VA from Ohio, and we loved her immediately. We also realized from being with Glenna why her daughter, Jan, was such a sweetheart! Even though Glenna's memory was diminished through the years, she remained just as happy and sweet as before. She will be sorely missed. It is our hope that all of the wonderful memories of this angel will help the family find peace. Love to all...*
